

## Terms and Conditions - Walker International Transportaton B.V. - Netherlands

### Conditions

The Dutch Forwarding Conditions as filed by Fenex with the Clerk's offices of the District Courts of Amsterdam, Arnhem, Breda and Rotterdam, latest version, apply to all our activities and agreements. The Fenex conditions are included in this quote.

### Validity

The rates provided are applicable only if shipments are directed to you or a Walker office. Walker retains the right to modify the rates in response to market demands. Quotations remain valid for a period of one month, and upon reaching an agreement, a confirmed validity will be established.

### Surcharges

Carrier-imposed surcharges, such as fuel surcharges, are subject to constant fluctuations and can change at any time. It is important to note that surcharges may be applied retroactively.

### Payment Terms

Based on credit research, Walker will establish a credit limit for each customer. If the credit limit is approved, the payment terms for freight and handling will be 30 days from the date of the invoice, and for import duties (if applicable), the payment terms will be 7 days from the date of the invoice, unless otherwise mutually agreed upon

### Advance fee

The advance fee on duties and VAT (in case applicable) paid by Walker is 3% for total amounts up to €5000,- per clearance. For amounts above €5000,- separate agreements must be made.

### Exchange rate

Any foreign currency conversions have been undertaken using current exchange rates and thus local currency charges are subject to change

### Direct representation

In order to have Walker execute customs activities (import/export) a direct representation document must be signed.

### Trucking

The by Walker subcontracted roadfreight charges quoted do not encompass waiting time, fuel costs, toll and maut charges. For international road transports, the conditions set forth by CMR (Convention on the Contract for the International Carriage of Goods by Road) will apply. For National (within the Netherlands) road transports, the conditions set forth by the AVC (General Conditions for the Carriage of Goods by Road) conditions apply.

### Insurance

Unless explicitly instructed in writing by the principal before the shipment of goods, insurance coverage is not included in the services provided by Walker.

### Acceptance

By providing instructions to Walker, the principal accepts the offer and acknowledges their agreement to abide by all the specified conditions.
